IMPORTANT NOTICE TO ANIMAL OWNERS INVOLVED IN SHOWING ANIMALS AT SHOWS

Dangerous, wild, unruly, animals are banned from the showgrounds

The Irish Shows Association would advise all Animal owners who have their Animals Insured to have the Insurance cover extended to cover them while showing Animals at Shows, it may cost very little or nothing at all depending on who you have Insurance with. The reason for giving this advice is that if your animal were to injure someone or damage someone's property, and it is established that your animal was out of your control at that time, you may be held responsible or partly responsible for any injury or damage caused, and could end up paying all, or part of any settlement reached.

PRIZES: €100; €60; €40, unless otherwise stated. ENTRY FEE: €12.

It is intended to pay out all Cattle Prizes on the day of the show. Most Championship Prizes will be by way of either vouchers or goods. Some Class Prizes may also be by way of voucher of goods, as far as possible those prizes will be available for collection on the day.

In the Event of two or less entries being received for any class, in any Cattle Section, the Committee Reserve the Right to amalgamate that Class with the next appropriate Class where possible or to cancel Classes. Should a total of five or less entries be received for any one of the Pedigree Sections, the Committee Reserve the right to amalgamate all classes in that section, and to declare the resulting amalgamation the Championship for that section, with an extended number of Prizes for that Championship class.

ISA NOTIFICATION

AFTER a number of submissions from affiliated shows on the judging of calves and the need to have them judged by weight rather than by age at shows the ISA cattle subcommittee have put forward the following recommendation on use of live weight for calf classes e.g. (calves under 12 months not to exceed 460 kgs (Autumn born calves and calves under 6 months) it recommends that the weight should not exceed 320 kgs.

Another suggestion is to use no more than 1.7 kg live weight gain per day from the birth date to the show date. This proposal would also be suitable for interbreed pedigree calf championships.

Exhibitors must wear show coat and display number.

Exhibitors who win cups / trophies must sign judges' book.

Entries on signed entry form only before closing date.

Please have certificate of compliance correctly filled out before approaching Secretary's office on show morning to avoid unnecessary delays.

SPECIFIC REQUIREMENTS — SHEEP

Identification

All sheep must be identified individually with appropriate ear tags issued in accordance with the requirements of the National Sheep Identification System (NSIS).

Movement Documentation

All consignments of sheep being moved must be accompanied by a completed dispatch document. Individual details of each sheep in the consignment must be recorded on the document. Sheep from non-restricted flocks only can be moved to shows. In the case of flocks restricted following diagnosis of scrapie, sheep possessing the ARR/ARR genotype only may be exhibited. The movement of these ARR/ARR genotype sheep must be accompanied by the relevant movement permit (SCR/10), which can be obtained from the local District Veterinary Office in the county where the flock is located.

AIM Notification

The movement of sheep to and from an Agricultural Show within the State must be recorded on AIM. This is done using a copy of the owner's sheep dispatch document as follows: The owner/keeper presents the signed and completed dispatch document to the show secretary who checks it to ensure that it is completed in full.

The show secretary fills in the MART section of the dispatch document with (i) the show number, (ii) the date of the move back to the source holding (iii) stamps it with the show stamp and (iv) signs the dispatch document.

The show secretary then forwards the completed pink section of the dispatch document to the local DVO within 7 days of the show movement.

The show secretary keeps white copy for his/her records.

The source/destination keeper keeps the bottom yellow copy to enter it into their flock register. Ultimate responsibility for fulfilling this requirement lies with the Show Secretary.

Flock Register All movements of sheep to and from shows must be recorded in the keeper's flock register.
